Welcome to the 161st Annual Crawford County Fair

The Board of Crawford County Commissioners wish to give a sincere Thank You to all the hard working people of our community who have dedicated their time and energy in order to make this year's fair a great success.

The future of our community depends on activities such as the fair in order for our future leaders to learn the skills they need to succeed in life like dedication, commitment, honesty and hard work. Skills they will need in the workplace in order to be contributing members of our society.

2018 OUTSTANDING FAIR SUPPORTER

Jack Scott was the caretaker for the Crawford County Fairgrounds for 17 years. He was the main man in charge from 1996 until he retired in 2012. Jack was the caretaker of anyone's dreams. He was always first on the grounds and seemed to know exactly what needed done. You never had to look far for him and he was willing to help with a smile. Jack went above and beyond by checking on the fairgrounds during the night even when he wasn't "on the clock". He was first to the fairgrounds in the morning and never left until he checked in to see if there was anything else that needed to be done. Jack enjoyed his retirement until his passing May 26th, 2017. Jack lived 81 years on this Earth and kept busy his entire life. He enjoyed square dancing and traveling, with a trip to Hawaii and the Daytona 500 being his favorite. Most mornings you would find him at McDonalds enjoying coffee with his brother and the guys. He was a master at fixing things and saved the Fair board countless hours and money. He was an avid University of Kentucky basketball fan and enjoyed razzing the basketball Buckeye fans of central Ohio. Jack was a one of a kind caretaker that was hard to replace. He is missed by all who had the pleasure to work with him.

New for 2018

Thanks for all your interest in the 161st Crawford County Fair. Here are some new things for 2018 to keep in mind. This is the **LAST** year we will mail out fair books. Starting in 2019 you will be able to pick up your fair book at the office, throughout the community or view it online. We also started last year a new program where you can enter your Open Class projects online. This is a great way to see all that is offered and enter from the comfort of your own home. We will be able to take payment online in the future if not this year. You will simply go to **fairentry.com** search for Crawford County Fair (be sure it is the Crawford County Fair in OHIO) make an account and you will be able to enter. Entries will open June 1st and will be open until July 6th at 5:00pm. Also no premium checks will be mailed and will need to be picked up by noon on Sunday July 22nd. Most checks will be available Wednesday of fair week. Any check not picked up by noon on Sunday July 22nd and cashed in 90 days will be considered a donation to the Crawford County Agricultural Society. No checks will be reissued for any reason. A great fair depends on you, so let's make it a good one. See you at the fair. - *Rebecca Miller, Secretary & the board of directors of the Crawford County Agricultural Society*

LIVESTOCK SHOW FACT SHEET

LIVESTOCK EXHIBITION IN 2018

by Tony M. Forshey, DVM, Ohio Department of Agriculture

The Ohio Livestock Show Reform Act authorizes the Director of Agriculture to adopt mandatory and optional rules. Mandatory rules apply to all livestock shows, while the sponsor has the option to opt out of the optional rules on an individual rule basis. If a sponsor decides not to opt out of an optional rule, the rule then becomes mandatory. The following is a clarification of how the statute (Ohio Revised Code) and rules (Ohio Administrative Code) are to be interpreted and applied at all **terminal, partial terminal and non-terminal** livestock exhibitions in Ohio:

1. Livestock is inclusive of all species, except equine;
2. Livestock exhibitions include all county and independent fairs, the Ohio State Fair and **all preview and jackpot shows**;
3. A sponsor is any entity who conducts an exhibition **including preview and jackpot shows**;
4. The sponsor **may** opt out of any or all of the optional rules at least **30 days prior to the opening** (a form will be provided and must be returned to the Ohio Department of Agriculture, Division of Animal Industry, 8995 East Main Street, Reynoldsburg, Oh. 43068);
5. Effective February 13, 2004, exhibitors shall annually attend or complete a quality assurance program before exhibiting terminal or partial terminal market livestock, or at the option of Ohio State University Extension, annually pass a test administered by or under the supervision of Ohio State University Extension.
6. Effective February 19, 2007, OAC 901-19-07, exhibitors may pass a test based on age and skill level to be exempt from quality assurance re-certification. This exemption is at the discretion of OSU Extension or Ohio agricultural education.
7. Swine being sent to a licensed livestock facility or going out of state for slaughter or commingled with out of state swine must be identified with an official eartag or four digit tattoo.

8. The department does not require Certificates of Veterinary Inspection for exhibition livestock originating in Ohio including swine. However, an exhibition sponsor can choose to require additional regulations above those of the department.

9. Ohio obtained Stage 5 pseudorabies status on January 1, 2001. Pseudorabies testing is no longer required for Ohio swine to be exhibited. **October 2004** - all states achieved Stage 5 status.

10. Effective February 15, 2003, the optional rule, OAC 901-19-33 (D), prohibits the slick clipping or body shaving of market hogs except on the ears and tails. The word Aunderline@ has been removed from this rule;

11. Effective February 15, 2003, OAC 901-19-02 (II) "slick clipping" or "body shaving" means having hair that is less than one half inch in length on the body of market hogs;

12. **Even if the sponsor opts out of one or more of the optional tampering rules, the statute prohibits the use of any material, gas, solid, or liquid, that conceals, transforms or enhances the true confirmation or configuration of all livestock, including by way of example but not limited to rope, false hair, graphite, and hemp;**

13. For **breeding classes** the rules of the breed association will constitute **acceptable** grooming practices;

14. Effective May 31, 2001, an acceptable practices rule, **OAC 901-19-12 (Q)**, only permits drenching of lambs for a medical condition at an exhibition when diagnosed by a licensed veterinarian and an unacceptable practices rule, **OAC 901-19-13 (H)**, drenching of lambs at an exhibition is prohibited except as permitted under paragraph (Q) of rule 901-19-12 of the Administrative Code.

15. Effective February 13, 2004, OAC 901-19-38 (C), **accessory reproductive tissue was removed from the false, deceptive or unacceptable practices rule.**

16. Effective February 12, 2007, identification requirements for sheep and goats were added to OAC 901:1-18-07 and OAC 901:1-18-09.

17. The Exhibition Livestock Health Rules apply to any exhibition over **36 hours** in duration or has livestock

whose origin is not Ohio and that exhibition must have an **approved veterinarian** (a form will be provided and must be returned to the Ohio Department of Agriculture at least **20 days prior to the opening date**);

18. Junior market livestock shows at county and independent fairs and the Ohio State Fair are defined as either terminal or partial terminal shows:
    a. partial means that at least the grand and reserve grand champion animals are required to go to slaughter or **directly** to a licensed livestock facility for slaughter only,
    b. terminal means all market livestock go to slaughter or **directly** to a licensed livestock facility for slaughter only;

19. Preview and jackpot shows, as well as breeding classes are **non-terminal shows**;

20. At all terminal, partial terminal and non-terminal shows **urine and hair samples** may be collected;

21. A Drug Use Notification Form (DUNF) **will be required** to be completed for all livestock for which a test sample is collected;

22. OAC 901-19-06 (D) the Director of Agriculture shall require a DUNF be completed for livestock including market steer, market hog, market lamb, veal calf, market dairy steer, market goats, market poultry, lactating dairy cattle and lactating dairy goats, and **be reviewed locally** (assistance will be available from the Ohio Department of Agriculture by faxing the form to 614-728-6310);

23. **For all shows the statute prohibits** the misuse of legal drugs (including but not limited to the use of drugs approved for use in humans, but not approved for animal use) and the use of illegal drugs;

24. The statute **prohibits** the showing of **tranquilized** livestock, including products such as Calf Calm, and **diuretics for cosmetic purposes**;

25. All livestock entered in a carcass contest at a terminal, partial terminal, and non-terminal show must be **drug free on the day of show**:
    a. the withdrawal time must have elapsed by the day of show, or

b. the drug must not exceed the tolerance level on the day of show;

26. Immediately before or during a terminal and partial terminal show and sale and within a **valid veterinarian-client-patient-relationship (VCPR)** or for a **valid medical purpose** a drug or an over-the-counter (OTC) drug may be used if it is **declared on a DUNF** and the drug's **side effect does not conceal, transform or enhance** the conformation of the treated livestock, any such permitted drug use must be **disclosed at the time of sale**;
27. The drug use notification form shall be filed with the records official prior to the show in which the animal is entered. If at any time, the information on the original drug use notification form changes, an updated form shall be filed **immediately** with the records official.
28. At non-terminal shows the use of drugs requires a **VCPR** for prescription and extra-label use of drugs, and OTC drugs must be used for a **valid medical purpose** and according to label directions and **must be declared on a DUNF**.

The preceding is not intended to be an all encompassing review of the statute and rules as they pertain to livestock exhibitions in Ohio. Exhibitors, exhibition sponsors, parents, advisors, and veterinarians are encouraged to call the Ohio Department of Agriculture, Tony M. Forshey, D.V.M., at 614-728-6220 with any questions.

The success of this program is based on the continued input and cooperation of educators, industry, and government. Through your continued support, Ohio will continue to be a national leader in livestock show reform.

Enogen® Feed

syngenta.

Energize your beef ration by choosing the right corn hybrid

Improve the profit potential of your feedlot – it's as simple as planting a hybrid that provides more potential value in the field and in your feed.

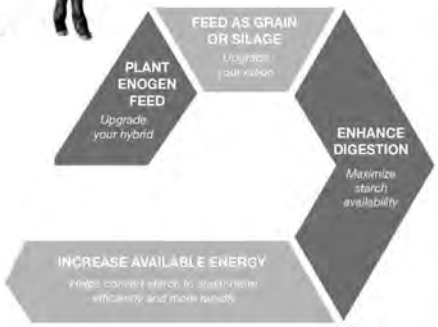
Unique Enogen® Feed hybrids do just that, offering proven genetics and strong agronomic characteristics in the field. And in your ration, a step-change in starch and sugar availability provides more available energy to feedlot cattle.

Benefits in the field

- Excellent yield potential across a variety of soil types and conditions
- Proven genetics and traits
- No additional agronomic management challenges[1], unlike some silage-specific hybrids
- Flexibility to chop for silage or harvest for grain
- Performs equal to or better than other high-performing hybrids[2].

Unlock the energy potential of your ration – simply incorporate Enogen Feed hybrids in your feedlot operation.

It's as easy as replacing the corn or silage you currently grow and feed.



[1]Growers must comply with specific yet simple stewardship requirements.
[2]Syngenta production data from more than 1 million acres, 2012-2016.

Humane Society serving Crawford County

The Humane society Serving Crawford County is a private 501 (c) 3 that has been serving Crawford County since 1971. We are the only animal shelter in Crawford County. The past 20 years we have proudly provided the Crawford County Dog Warden's office with a "no touch" service for their seized dogs and work tirelessly to find forever homes for all the animals we serve.

Our organization is self funded and we rely on fundraisers, donations, memorials, bequests, adoptions, and memberships to remain a vibrant part of the Crawford county community. Every Wednesday evening we hold a bingo game at the Crawford County Conservation League that supports our shelter. The doors open at 4:30 pm and the game starts at 6:30 pm. We have weekly specials so there is always something for everyone. All the proceeds from this game stay here to help us care for the pets and people of Crawford County.

Company's Coming Contest
Judging
NEW JUDGING DATE:
Monday, July 9, 2018 6:00pm
Rebecca Miller - Coordinator

This contest was created in 1990 by Mary Lee Minor who with the Earth, Wind and Flowers Garden Club cosponsored the project with the Senior Fair Board to add much needed landscaping and flower plots to the fairgrounds. In 1999, the club received the top beautification award from the Ohio Association of Garden Clubs, Inc. for their planting efforts.

Entry to the contest is open to any individual, group or organization in Crawford County.

Entry forms are available at the Senior Fair Office. Entry forms will be mailed to the previous year's participants. Any questions, call the office at 419-562-7936.

Entries due July 6, 2018 by 5:00 pm.

Plots will be separated into small, medium and large categories. Plots may be subject to change in categories to keep the number of entries in each category more evenly divided.

Plots will be judged on a scale of 1 to 100 with points given on 1) the overall look of the planting, 2) originality, 3) health of plantings and 4) quality of workmanship.

It is highly recommended for participants to do a final inspection of their plots before the judging begins.

The Senior Fair board will award prize money for the overall grand prize winner and to the 1st, 2nd, and 3rd place winners in each category. The amount of $10 will be awarded to all non-winners in the small and medium categories and $20 to the large category. Markers will be placed in the winning plots.

Prize and award money can be picked up at the Senior Fair Board office any time after Wednesday, July 18 and continuing through the end of the fair, July 21, 2018.

All prize money not claimed by end of fair will be considered a donation to the Crawford County Agricultural Society.

GENERAL RULES

1. Secure an exhibitor ticket and apply for entry tags by **Friday, July 6**, at 5PM from the fair secretary's office or online. An exhibitor may use an immediate family member's exhibitor ticket, as in the instance of junior exhibitors.
2. Sponsoring Garden clubs shall purchase an exhibitor ticket in the name of the club for hostess purposes. It may remain at the main gate.
3. **First Show artistic and horticulture entries should be placed between 6:00 pm and midnight, Saturday, July 14.** Judging will be on Sunday morning, July 15, at 9AM by accredited judges of The Ohio Association of Garden Clubs, Inc. Entries shall remain in the show until 8PM Tuesday evening July 17 and should be removed by 10PM so that the committee can make shelving ready for the second show. Entries not removed will be disposed of, with containers placed into the show building stock.
4. **The second show entries must be placed 8-11:00 AM Wednesday, July 18. At 11AM the committee asks all exhibitors to vacate the show room;** this is done to have the show ready for the judge, to check entries, check labeling, and to clean. Entries are to remain in place until Saturday, July 21, 9PM. Exhibitors may retrieve materials Saturday 9-10PM or Sunday morning, July 22 from 10AM until noon.
5. Entries must be placed as directed by a member of the entry and classification committee to help insure compliance with the show rules. The flower show committee shall not be responsible for breakage, theft or loss of property.
6. The artistic work is to be that of the exhibitor, including juniors.
7. Judges' decisions are final. Exhibitors are welcome to observe and listen to the oral judging for each show entered.
8. Rosettes and gift awards are presented throughout the schedule if so listed. The gift awards will be sponsored by local organizations and businesses. The awards enable our community to show appreciation for the efforts and dedication of our exhibitors. All rosettes and gift awards must be claimed at the flower show building at the time of release. NO GIFT AWARDS WILL BE MAILED OR DELIVERED. Exhibitors may exchange stickers for ribbons earned in the show at release time.
9. Premium checks for both shows may be secured at the fair secretary's office on the final day of the fair, Saturday, July 21.

Hostesses are needed during the open flower building hours; Sunday Noon-10PM, Monday-Saturday 10AM-10PM. Clubs, fair board spouses, juniors and parents, exhibitors and friends may serve as hostesses during the open hours. A schedule located in the flower show building will encourage sign-up for 2-hour blocks. A list of duties for hostesses will be posted along with the schedule.

ARTISTIC DESIGN RULES

1. On the entry sheet, please list the title and class number for each entry. This helps the fair secretary's office and the committee plan space for the exhibits.
2. To serve the educational strength of the show, each exhibitor of an artistic design shall list the plant materials used on a 3x5 card supplied by the committee. Junior exhibitors must state their age. The card should be placed on the show table near the entry tag; neither should be fastened to the artistic unit.
3. Artistic designs may include treated, dried or painted dried materials. No artificial plant material may be used such as artificial fruit, foliage, or flowers. **Breaking this rule results in disqualification.**
4. Accessories may be used. An accessory is anything that is not a plant in origin. Stones, feathers, and figurines are some examples. A beige/white wall is the background but an exhibitor may provide a different background if it is confined to the dimensions.
5. **Designs shall not exceed 32w x 24d** unless stated otherwise.
6. To strengthen the value of locally grown materials in designing, floral art shall demonstrate the use of plants indicative of Ohio gardens. Houseplant materials may be used in designing. **The following flowers may be entered or displayed as houseplants, but they are not considered 'garden grown' for designing: protea, anthurium, and Bird of Paradise.**
7. A single exhibitor may place only one entry in each titled artistic class.
8. Artistic Sweepstakes rosettes will be awarded to the adult exhibitor earning the most points in the First and Second show. Points are tallied in this way: **first place, 5 points; second place, 4 points; third place, 3 points.**
9. **NOVICE ONLY entries (Class 1, entry 7 also Class 9, entry 67) are open to those who have not won more than ten blue ribbons in designs. Novices are welcome, and encouraged to enter all other open class artistic and horticulture classes.**

RULES FOR THE FEATURED ARTISTIC EXHIBITSS
Class 2 and Class 10

1. **An exhibitor must contact the flower show chairman by July 6 at 5PM to sign up for these class entries. DO NOT PUT THESE TWO CLASSES ON THE ENTRY FORM. Only four (4) exhibitors for each show will be accepted. These will be chosen by the chairman in order of submission. (See rule 2. below for exceptions)**
2. **For Entry # 8 (first show) and #68 (second show), a single exhibitor may enter both shows for these entries only if there is not enough participation to have 8 different exhibitors entered for the two shows. The exhibitor will be notified by the chairman if allowed to enter both.**

HORTICULTURE AND HOUSEPLANTS
GENERAL RULES

1. All horticulture and houseplant entries are to be labeled with the variety name of the plant on the entry tag. This is important to the viewing public and may be used to determine a 'Best of Show' winner by the judge.
2. Entries must have been grown by the exhibitor.
3. An exhibitor may enter more than one entry in each horticulture class, provided each one is a **different named** cultivar. Please note that new entry divisions have been created to allow for easier class division, ie. Coleus, entry 18-19. Also with the new computerized tickets, there will be **NO edits ALLOWED on the tickets!** What appears on the entry ticket must be what is entered.
4. Horticulture must be displayed in **clear** glass so that the judge can easily see the stem and foliage. The committee has clear containers but encourage exhibitors to use their own so that specimens will be supported well and in proportion.
5. Cut a stem so that its length is in good proportion to the bloom.
6. Foliage naturally growing on the stem should not be removed. This is considered important to health, vigor and cultivation. Plants should be clean and free from dirt or spray residue. **Using plant shine products will lead to disqualification.**
7. When one bloom is required, remove small side buds cleanly. Leave foliage on.
8. Improperly groomed entries and those not disbudded may lose points or be disqualified.
9. Potted houseplant entries for class 6 should be shown in containers no larger than 14", which make them look at home, and be in good proportion to the size and maturity of the exhibit. **Exhibitors must have possession of the plant for at least three months; this demonstrates the grower's skills.**
10. **NOTICE-Each exhibitor must stop at the entry and classification table with your entry/s so that a committee member may verify that your entry is placed in the correct location and you have complied with the above rules.**
11. Horticulture Sweepstakes will be awarded in each show to the adult exhibitor entering the greatest total number of horticulture specimens in the show.

Any questions about design specifications, please feel free to call one of the show chairmen. Design examples may be found on the internet at *Pinterest.com/ohiogardenclubs* and click on the *floral design board*. Keep in mind the rules stated in the schedule! All photos may NOT follow the rules as stated in the Ohio Association of Garden Clubs Handbook for Exhibitor and Judges

2018 Crawford County Junior Fair

"A Continent a Day the Crawford County Way"

OSU EXTENSION & THE CRAWFORD COUNTY FAIR BOARD ARE NOT RESPONSIBLE FOR ANY ERRORS OR OMISSIONS IN THE JUNIOR FAIR SECTION OF THE CRAWFORD COUNTY FAIRBOOK.

* * * * * * * * *

JUNIOR FAIR LIVESTOCK TAMPERING AND / OR MISREPRESENTATION

Tampering and/or misrepresentation as to breeding, age, ownership, custody and any other irregularity in showing will be considered fraud and deception. To maintain a high degree of confidence and integrity in the livestock shows, the agricultural society reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor's assistants who fitted the animal.

The use of clenbuteral and other unapproved drugs is prohibited. Should fraud or deception, and proof, as determined by the agricultural society, be discovered after the animal or animals have been shown and prior to the sale, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

Should violation be discovered after the sale, all sale money shall be returned to the buyer and the animal, carcass or carcass value shall be returned to the exhibitor. All placings in the show will stand. No animals will move up. Any carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete. All grand champion and reserve grand champion steer, hog, goat, and lamb will have a blood sample drawn before leaving the show ring. Other random blood samples may be taken at the discretion of the Fair Board. The show is terminal for the grand and reserve grand champion again in steers, hogs, goats, and lambs. The Agricultural Society shall supervise the transportation of said identified animals to the USDA approved facility for harvest. If the carcass is condemned at the packing plant for any reason, it shall be grounds for disqualification in the on-foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

Protests to any and all rule violations will first be directed to the species committee in charge, with Senior Fair Board representative present, then to all livestock species committee chairpersons and finally to the Senior Fair Board. Their decision shall be final and without appeal.

CODE OF PRACTICES FOR LIVESTOCK EXHIBITORS

The following describes general responsibilities of the exhibitor and all persons in their authority, in the proper care and handling of animals raised for food and fiber:

- To provide food, water, and care necessary to protect the health and welfare of the animal.
- To provide a safe and healthy environment for the animal that is clean, well ventilated and provides ample space.
- To provide a well-planned disease prevention program to protect the health of the herd or flock.
- To make timely inspections of all animals to evaluate the health and ensure that all basic requirements are being met.
- To ensure proper handling techniques are used to eliminate any undue stress or injury when moving the animal.
- To provide transportation for the animal that avoids undue stress or injury caused by overcrowding, excessive time in transit or improper handling when loading or unloading.
- The willful mistreatment of any animal will not be tolerated.
- To make management decisions based upon scientific fact and to consider the welfare of the animal.

Current year "Ohio Livestock Tampering Exhibition Rules" are available upon request at the Senior Fair Board Office.

JUNIOR FAIR EXHIBITS GUIDELINES

- Although a reasonable effort will be made to protect your 4-H/ FFA exhibit from damage, injury, losses, theft, or death, neither the Crawford County Fair Boards (Junior or Senior), the Junior Fair Livestock Committees nor the Crawford County Extension Office are responsible for the safety of any Junior Fair Exhibit placed on display at the Crawford County Fair.
- All exhibits, including livestock, are placed on display at the risk of the member. In addition, members and their parents are responsible for any damage or injury which their livestock may cause, to other individuals or property, also for the death of an animal at the fair. This applies to Market and Breeding livestock. Absolutely **NO REIMBURSEMENT** will be granted to the exhibitor for the damage, injury, losses, theft, or death of project entries. Please check your homeowner's liability policy to see if it covers your animals on display at the fairgrounds.

ATTENTION

All livestock (with the exception of poultry and rabbits) must be in place by Saturday, July 14 between 5 -11:00 p.m. and must enter the Fair through the North Gate of the Fairgrounds. See individual specie for specific check-in/ weigh-in times.
